

Examples of what to write for a project description

It doesn't have to be a book! Just write a sentence or two about the job. Here are 10 examples of what you can write about. All ten are roofing examples, but I'm sure you can get an idea of how you can spin it if you are not in that industry. Backlinking (Hyperlinking) to reputable websites is also a great way to increase your SEO.

1. **Pinnacle Roofing of New England** was proud to install these velux skylights for our friends in East Greenwich Rhode Island. Velux skylights bring natural light and fresh air into your living spaces, enhancing your home's ambiance and reducing the need for artificial lighting and ventilation, leading to energy savings and improved well-being. To explore the full range of benefits and options offered by Velux skylights, visit their official website: [Velux Skylights](#).

2. Another great roof replacement and skylight install from **Pinnacle Roofing of New England** for our neighbors in North Kingstown, Rhode Island. CertainTeed Northgate shingles in the weathered wood color provides a rich, warm tone and natural texture. Weathered wood is a stunning, rustic appearance that complements a wide range of architectural styles, making them a visually captivating choice for any home. At Pinnacle, we only use the best roofing products out there. We credentials CertainTeed contractor. Our credential is called a Select ShingleMaster. You can check out our qualifications on [CertainTeed's website](#).
3. Pinnacle Roofing is a CertainTeed SELECT ShingleMaster installer which means our team is trained to the highest standards for a long-lasting roof. This is the top-level CertainTeed roofing credential and represents the highest standards of excellence, quality, and knowledge in the shingle roofing industry. Only the top 1% of roofing contractors nationwide are CertainTeed Select ShingleMasters™. We are proud to be in this top 1%! For your free roof replacement estimate in **South Kingstown**, RI, contact Pinnacle Roofing at [401-268-7075](tel:401-268-7075).
4. Pretty awesome how our homeowners wanted to tie in the red metal roof with the asphalt shingles and the red barn behind the home. We loved doing this project. If you are looking for a premier roofing company, please consider Hernandez Contractor LLC. You can request a consultation today by visiting our [website](#) now! You'll be happy you did.

5. We had a great time installing this GAF Timberline HDZ, Fox Hollow Gray roof in Millsboro, Delaware. If you'd like to learn more about our company, check out our **"about us"** page on our website. We appreciate your consideration.

6. You can use bullet points:
 - Premier Roofing company in New Cumberland PA.
 - We are here to help with all of your roofing needs.
 - Check out our full portfolio of past work on our **company website**.

7. As a top exterior remodeling company in Camp Hill, we really enjoyed installing this GAF Timberline HDZ, Weathered Wood roof.

8. We are excited to have installed this beautiful Weathered Wood roof. We are certified GAF Master Elite installers, so you will be in great hands with Miller's Roofing Inc. Call us today for a **free-estimate**, 717-432-7947.

9. We had to do some routine maintenance for our customers in Severna Park Maryland. As the number one HVAC company in Anne Arundel County, **Cornett Heating & Cooling** prides itself on the number of clients that hire us for an annual check up of their heating and cooling system. Whether you use us or have your own company you use, we strongly encourage you to get your units checked in November, so that come January and February, you have the peace of mind that your family will be warm and cozy during the coldest months.
